Welcome Class of 1997

Denison Campus Government Association

Angie Kern/President Lucy Bethell/Vice President Frank Longenecker/Speaker Denison University

Welcome to Denison!

On behalf of the Denison Campus Government Association, we would like to take this opportunity to welcome the Class of 1997. This book is our best way of introducing you to what we know will be the four most memorable years of your life. We hope that this years edition of FACES will help you become more familiar with the Denison community.

The Denison Campus Government Association exists to promote the needs and interests of Denison students on campus. With an operating budget of \$300,000, D.C.G.A. influences many aspects of your Denison experience. We encourage you to become involved as a Senator or Co-Govenor for your Freshman class. Elections will be held for your class two weeks after classes begin. Your experience at Denison will be what you make it, and D.C.G.A. hopes that your involvement will be with us as we help to improve our Denison Community.

We look forward to seeing you through the course of the new school year. The D.C.G.A. offices are located on the third floor of the Slayter Student Union, so we are available to the students who want to express their views regarding the Denison community. Please feel free to stop by for any information on campus life or to simply get acquainted. We will see you at August Orientation. Get excited about your first of four great years!!!!

Once again, welcome to Denison University and best of luck to you!

Angie Kern
